

# THE 9000 SERIES

*Making history for 50 years. Engineering for the future.*

## THE NEW FEATHERLITE HORSE TRAILER

For 50 years, Featherlite has been making history as a leader in the aluminum trailer industry. Leading the way in quality, durability, value and safety has been tradition for Featherlite. And now, the Featherlite team has engineered the next generation of Featherlite horse trailers – the 9000 Series – that continues to build upon that reputation. We're excited to deliver even more to horse owners with this new line of horse trailers!

**FEATHERLITE**  
TRAILERS.

# What's New?

- We've made ordering and selecting your trailer easier with a more streamlined selection of our most popular configurations.
- Additional features – for both you and your horses – are now standard. That's extra convenience and value built into each trailer!
- Redesigned and enhanced living quarters décor packages are now available.

## REDEFINING MORE.

These are some of the new features & enhancements you'll find with the new 9000 Series horse trailers.

### SQUARED CORNERS

All unload doors, drop down feed doors and camper doors are now square cornered. The larger drop down feed doors allow for even more light into the horse area.

### SPARE TIRE

For peace of mind, a matching spare tire and rim are now standard on all horse trailers.

### LED LOAD LIGHT

A rear LED load light and switch are now standard on all horse trailer models. This is also a new style of rear load light that is even brighter than our previous offerings.

### EXTERIOR TIE RINGS

All horse trailers come with one exterior tie ring per horse on both sides of the trailer, providing more options when securing your horses.

### WAVE SIDE PANELS

Aluminum 'wave' side panels are now standard on all horse trailer models, giving each trailer an elevated look.

### AIR FLO DIVIDERS

Featherlite's Air Flo dividers, previously optional, now come standard in all horse trailers, allowing for more airflow in the horse area.

### RIVETLESS SIDES

Horse trailers now feature rivetless aluminum side sheets for a sleeker and smoother looking exterior.

### REAR RAMP

When equipped as a standard feature or option, Featherlite's rear ramps are now engineered to be lighter and easier to use.

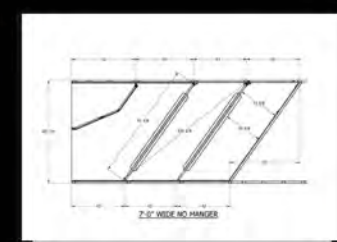

### STAINLESS HARDWARE

Featherlite's rear doors now come with stainless steel double pipe hardware and no center post.

### 7FT WIDE

All horse trailer floorplans that previously were 6'7" wide are now a standard 7ft wide.

### UPDATED DIMENSIONS

Slant stall width & length dimensions have been updated to better accommodate a wider variety of horse sizes.

### 1 5/8" SIDE WALL

Featherlite horse trailers are now built with 1 5/8" side walls for a more uniform width throughout the trailer.

**ALUMINUM HALTER HOOKS**

Featherlite's standard halter hooks are now aluminum, allowing for more durability!

**WHITE ALUMINUM**

Available only on applicable models, the rear tack wall is lined with sleek, white aluminum!

**TURF TACK WALL**

Now, when halter bars are mounted in the rear tack, turf will be installed on the rear tack wall. This allows for less wear and tear on the rear tack wall. This feature is only on applicable models.

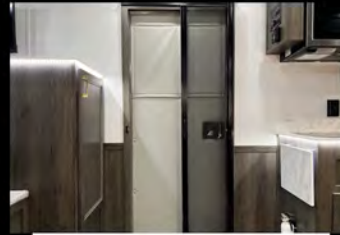

**LED INTERIOR LIGHTS**

Horse trailers come with a new enhanced style of LED lights inside the trailer for more brightness.

**DOUBLE PIN LATCH**

All camper doors feature a new, more secure double pin latch mechanism.

**POCKET SCREEN DOOR**

Our new pocket screen door is now standard on living quarters models.

**ALL OF THESE FEATURES**

**ARE NOW STANDARD**

# BUMPER PULL

STYLISH, COMPACT AND EASY TO TOW, FEATHERLITE BUMPER PULLS ARE THE PERFECT CHOICE FOR BEGINNER AND VETERAN HORSE OWNERS ALIKE.

## Model 9300

The straight load 2-horse bumper pull Model 9300 measures 7' wide with options of a 43" or 51" dressing room. Or you can opt for our 2+1 configuration. The 51" dressing room includes a manger with walk thru door. The trailer features two 26" x 19" windows in the trailer's nose as well as a rear ramp, which is now easier to use.

# Model 9400

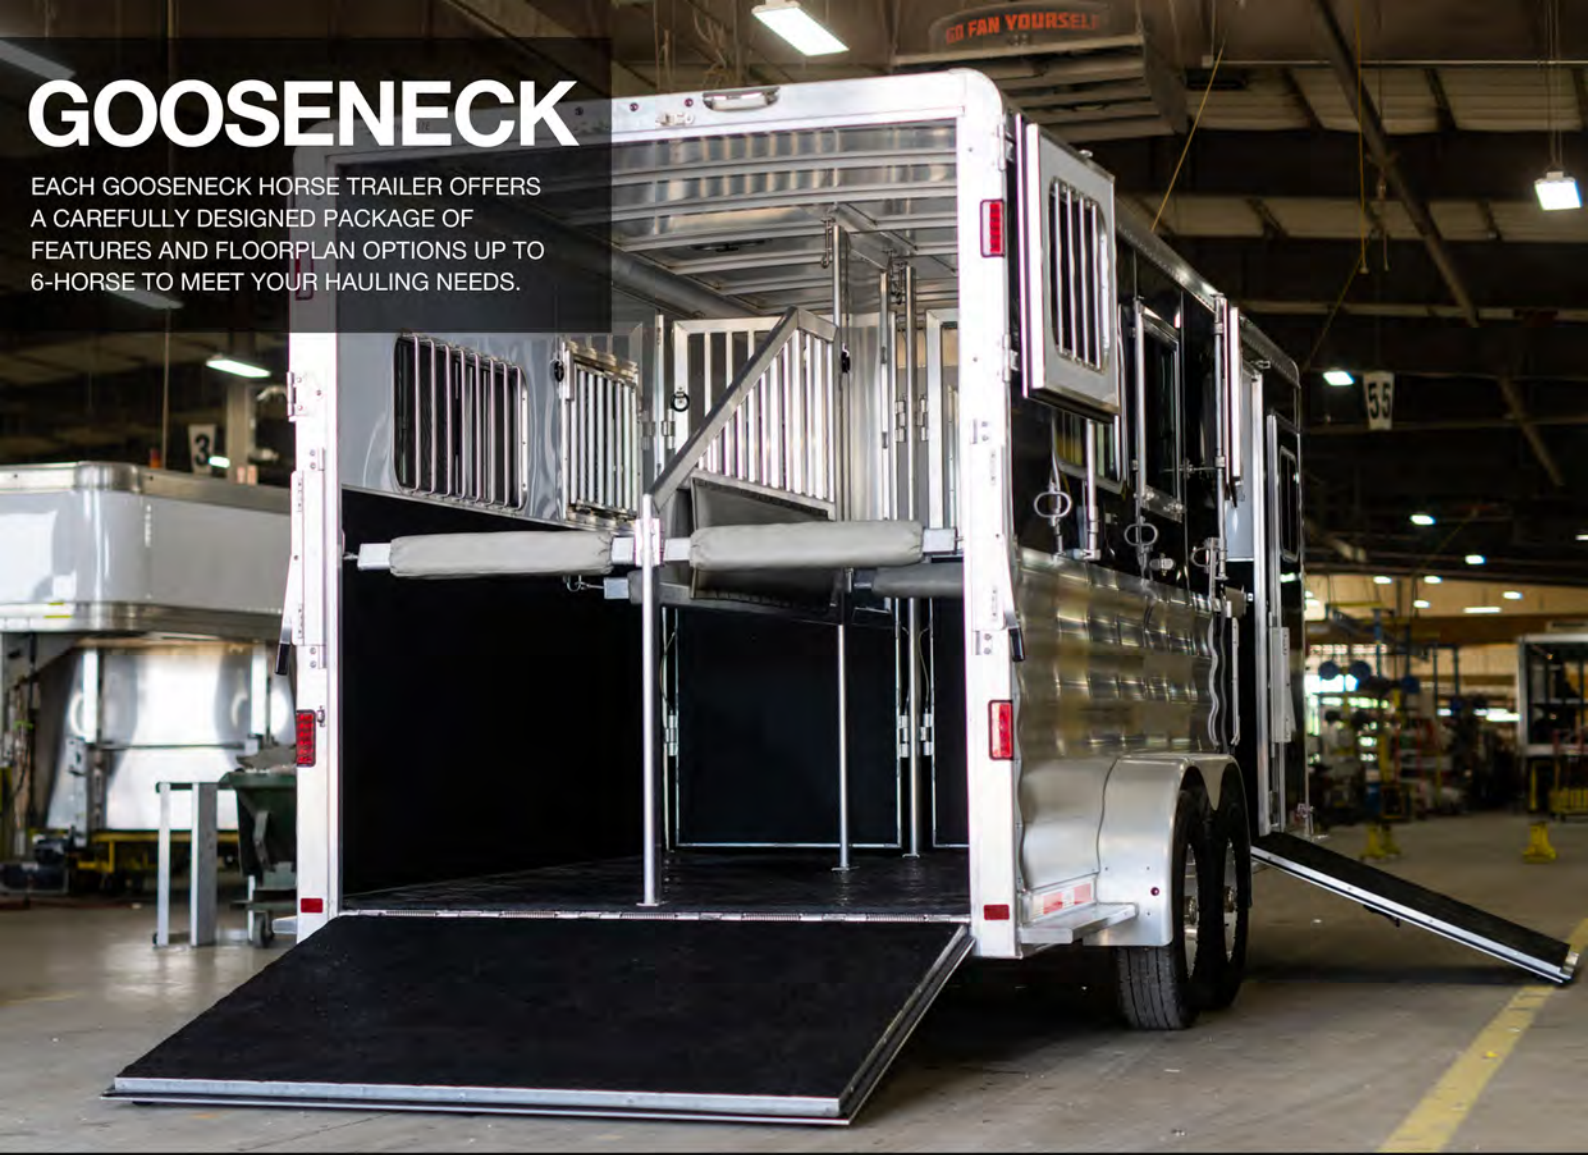

The slant load bumper pull Model 9400 is available in 2H, 3H and 4H floorplans with dressing room short wall options of 4", 24" or 48". The 9400 includes roomy stalls and double rear doors with stainless steel pipe hardware and no center post as standards. The great-looking and durable Featherlite aluminum 'wave' side panels as well as our Air Flo dividers are standard too.

# GOOSENECK

EACH GOOSENECK HORSE TRAILER OFFERS A CAREFULLY DESIGNED PACKAGE OF FEATURES AND FLOORPLAN OPTIONS UP TO 6-HORSE TO MEET YOUR HAULING NEEDS.

## Model 9500

The Model 9500 offers you a variety of options in a straight load gooseneck configuration. Choose from a 2H, 4H or 6H floorplan, including the 2+1 model or the floorplan with manger and walk thru door. Dressing room sizes are 53" or 60". A redesigned, easier to use rear ramp with double doors above is standard.

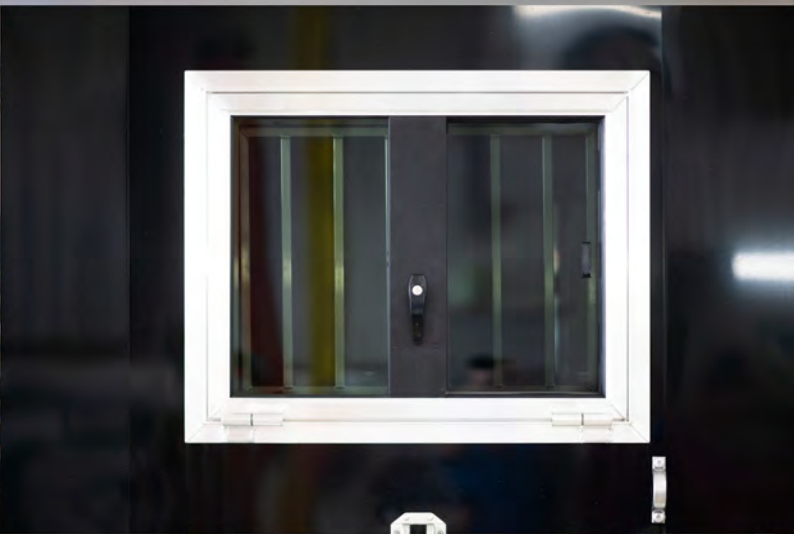

# Model 9600

Featherlite slant load gooseneck Model 9600 can haul 2 to 6 horses while you have the option of a 50" or 72" dressing room. This 7' wide trailer features a side unload door on 3H-6H models and double rear doors with stainless steel double pipe hardware and no center post. Bright white .040 aluminum lining above the wall rubber and Air Flo slant dividers are standard.

# Living Quarters Trailers

FEATHERLITE'S HORSE TRAILERS WITH LIVING QUARTERS OFFER WELL-DESIGNED DÉCOR PACKAGES AND AMENITIES SO YOU CAN ENJOY LIFE AWAY FROM HOME WITH YOUR HORSES.

*A NEW ERA OF INTERIORS.*

## Model 9807

The Model 9807 living quarters horse trailer gives you options of 8' and 10' living quarters floorplans inside a 2H, 3H or 4H model. This 7' wide trailer includes a pocket screen door standard, well-designed décor packages and rear doors with stainless steel double pipe hardware and no center post. You'll also discover aluminum halter hooks and one exterior tie ring per horse per side with the 9807.

## Model 9808

The Featherlite living quarters Model 9808 is a spacious 8' wide with interior floorplans of 11', 13', 15' or 17'. Available as a 2H, 3H or 4H, you'll find white aluminum lining on the walls and ceiling, Air Flo dividers and a folding rear tack inside. A pocket screen door is standard, while you have various decor options and layouts to find the living quarters fit for you and your family.
