DURABILITY
With a Featherlite, you get our durable uni-body all-aluminum construction with superior resistance to rust & corrosion and minimal maintenance.

EASE OF USE
Featherlite’s horse trailers are designed with features that are convenient and easy to use. Featherlite’s spring-loaded slam latch dividers feature a quick and secure lock with no need for hands near the fastening point and a heavy-duty spring. Featherlite’s drop-down feed doors and latches throughout the trailer are easy to use, often requiring only one hand.

VALUE
You get a higher resale value that comes from Featherlite’s transferable warranty* and superior all-aluminum construction that resists rust, corrosion and wear. Premium Goodyear® tires are also standard, adding extra value to your Featherlite.

YOUR WAY
With Featherlite you get a large selection of options to personalize your horse trailer. Options now available include a telescoping ladder with your hayrack of choice, thicker 2” stall pads for added safety, LED load lights, Easy Care Flooring and other conveniences. Plus, Featherlites are available in a variety of exterior colors including dual- and tri-colored options.

FUEL EFFICIENCY
You can get a lighter, smoother and more fuel efficient tow like so many other fellow horse owners report.
SAFETY
You receive a trailer designed to give your horses a smooth, steady ride plus features like standard deep cushion rubber floor mats. Plus part of keeping your horses safe is providing them extra comforts like additional air flow and light in the horse area with Featherlite’s “Light Flo” drop-down feed doors or larger windows behind horses standard on slant loads. Also, Featherlite’s patented slam latch dividers feature a quick and secure lock. Dividers not secured properly can swing about, possibly causing injury to horses or upsetting them.

SELECTION
It’s easy to find your way to a new horse trailer! Featherlite offers the widest selection of models, most of which are customizable with the Featherlite PerfectFit™ System. Choose your model and then go online at www.fthr.com for specifications, floorplans and available options.

RELIABILITY
You have the peace of mind of owning a trailer with a 10-year limited structural warranty* with 3-year hitch-to-bumper on select models.

FEATHERLITE DROP DOWN FEED DOORS!
FEATURING:
• Heavy duty frame & drop down bars

---

### FEATHERLITE TIPS

- **Wraparound Lights.** Featherlite horse trailers are outfitted with stylish L.E.D. wraparound lights that give your trailer more visibility when traveling down the road. Plus, four stop/turn L.E.D. lights are standard on horse trailers.

- **Dressing room turf.** Turf in the dressing room is thicker, more durable and resists water, mold and mildew.

- **EZ Lube Axles & Forward Adjusting Brakes.** For added convenience and safety, all models with axles of 2.2K through 8K have EZ Lube Axles standard. Forward adjusting brakes are also standard. They automatically adjust to proper clearances during travel allowing you to stop with confidence. It also eliminates the need for manual brake adjustments, saving you time and money.
